**As the creator of Wood Violins, world-renowned electric violinist Mark Wood** (*Trans-Siberian Orchestra, Billy Joel, Celine Dion, Dee Snider's Van Helsing's Curse*) **is honored to be at the helm of the most revolutionary electric violin company in the world.**

**Wood Violins is the only electric string company run by string players for string players,** and we are known as the "Stradivarius" of high-end custom-built electric violins.

**Check out the incomparable Stingray SVX4 and SVX5 electric violins, featuring lightweight bodies combined with the Wood Tru-Tone pickup for enhanced dynamics, warmth and uncompromised clarity.**

Add our Wood Electric Violin Amplifier and you have an incredible "turnkey" experience for the modern violinist; all based on Mark Wood's belief that a string player's journey into the electric violin world should be thoroughly exciting, inspiring and mind-blowing.
